## „LEGENDS PARADE 2024 – AUSTRIAN GP WINNERS“

Formula 1 Qatar Airways Großer Preis von Österreich | June 28 - 30 | Red Bull Ring | Super Saturday with Sprint & Qualifying | F1 idols & legendary race cars | Berger | Coulthard | Fittipaldi | Herbert | Verstappen

**Half a century of motorsport history will be brought to life at this year's F1 weekend at the Red Bull Ring under the title "Austrian GP Winners". The Legends Parade 2024 will give fans goosebumps with the engines of glorious winning cars from the Austrian Grand Prix, as well as drivers from the past returning to the red-white-red site of their triumph. The prominent line-up ranges from Emerson Fittipaldi with his winning Lotus from 1972 to the RB14 in which Max Verstappen won Red Bull Racing's home race in Spielberg for the first time in 2018. There will also be plenty of entertainment in the F1 Fan Zone on the Super Saturday of the Austrian GP with sprint and qualifying - in other words, race action in a double pack. All information about the program, travel tips and day tickets can be found at [www.redbullring.com](http://www.redbullring.com).**

**Winners and winning cars of the Austrian GP united at the Red Bull Ring.** The undisputed side event highlight of Formula 1 at the Red Bull Ring has been the Legends Parade since 2014. In its ninth edition in Spielberg, GP winners and winning cars from the last five decades rock the racing asphalt. On Saturday, June 29, and Sunday, June 30, a series of legendary cars will make fans' eyes water and give them goosebumps. Probably the most emotional pairing in the line-up is the Brazilian Emerson Fittipaldi, who will be returning to the race track in the heart of Styria in his winning Lotus from 1972. The Ferrari from 2002, in which Michael Schumacher laid the foundation for the world championship title in what is probably the most discussed Austrian Grand Prix, is also unforgettable. None other than local F1 legend Gerhard Berger will be in the cockpit. In addition, Max Verstappen's winning RB14 and Ronnie Peterson's 1978 Lotus will be on display in the F1 Fan Zone, where fans will have the opportunity to marvel at all the cars in the 2024 Legends Parade up close.

**"Super Saturday" with sprint and party in the F1 Fan Zone.** If you can't get a ticket for race Sunday, you still have the chance to enjoy exciting points battles and at least as much entertainment with "Super Saturday". This year, the premier class in Spielberg will once again feature a sprint format and therefore double the racing action. On June 29, the best drivers in the world will first fight for victory in the sprint and then in qualifying for the starting grid for the 2024 Austrian GP. In the time between the sessions, entertainment will be provided in two fan zones: concerts and legends exhibition in the F1 Fan Zone, just behind the Niki Lauda Curve, and the Styria Village, opposite the Red Bull Wing.

**Travel information and day tickets (Friday/Saturday) for the "Formula 1 Qatar Airways Großer Preis von Österreich 2024" are available at [www.redbullring.com](http://www.redbullring.com) and in the Red Bull Ring App.**
